GLEN THOMAS LOWE

We, the Nocatula Staff of 1986, would like to extend our greatest appreciation to Mr. Glen Lowe. Not only has Mr. Lowe provided supervision over the preparation of our food, but has forged with us a lasting bond of friendship. We wish to honor both his service and his companionship by dedicating the 1986 Nocatula to him.

Glen Lowe (better known as "Chief" or "Boss" by many) was born in 1933 in Virginia. Upon graduation from high school, he joined the Marines and fought thirteen months in the Korean War. After returning from Korea, he left the Marines to finish his education, only to rejoin in 1957. During his reenlistment he was stationed in several exciting places around the world: Japan, Lebanon, the Phillipines, Hawaii, and Puerto Rico. He also spent a tour of duty in Viet Nam where he received a Letter of Commendation and a Purple Heart.

Mr. Lowe filled many positions in the course of his military career such as Drill Instructor for 36 months in South Carolina. After being stationed at several places throughout the United States he became a food technician. At one time, he was responsible for training cooks, bakers, and feeding 9,000 people at one sitting. He successfully completed his career in the Marines and retired on July 29, 1976.

After retirement, "Chief" went to work for ARA. His first assignment was with the Alabama Nutritional Program, where he fed 13,000 senior citizens each day. During this time he attended the Auburn University School of Economics.

Mr. Lowe has been at TWC for three years and has been a great asset to campus life. Although he spends about twelve hours a day (even Sundays) on campus he still finds time to be with his wife, Grace, their two daughters and beautiful granddaughter.

Glen's philosophy of life is "The good Lord has put us on this earth for a reason and it is up to us to make ourselves happy! We shouldn't sit around feeling sorry for ourselves, we should get out there and make things happen for ourselves. We can cause our own problems, but we can especially bring happiness to others and ourselves. I like working with the faculty and especially the students. They make me feel young all over again!" Again, we say "Thank You" to Glen Thomas "Chief" Lowe for his consistent concern and understanding. No one else would listen to all our complaints and still give his best! We wish for you, with admiration and respect, all the world's best.

THE BEST OF WESLEYAN

T: Receiving the honor of *Best Christian Witness* must have been "Heaven Sent" for Jenne Beach and Glen Reece.

B: Jeff Webb and Angie Hamilton: It's music to our ears to hear that they are *Most Talented*.

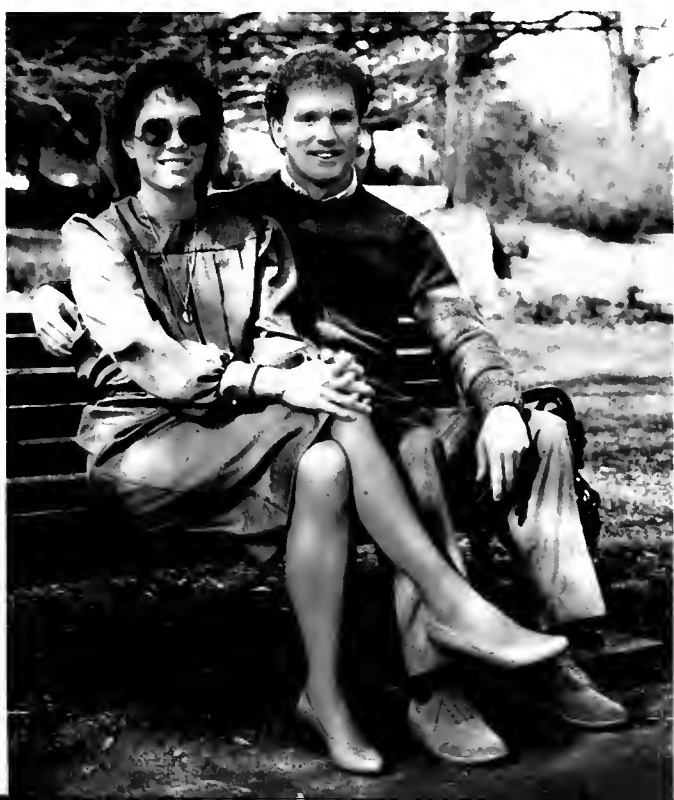

T: Being *Best Dressed* on Wesleyan's campus isn't an easy job according to Roger Higgins and Tracy Ebinger.

B: *Most Likely to Succeed*, Keith Bailey and Diana Kelly, pause for a moment before they go "once around the block."

IN 9 EASY SHOTS . . .

TL: *Most Mischeivous*, Karen Campbell and Steve Kerley were caught leaving the scene after unsuccessfully attempting to obtain Dr. Dunn's midterm exam.

TR: Karen Peavyhouse and Scott Trigg seem to handle the pressures of *Most Outgoing* quite easily.

LL: Being *Most Dependable*, it takes Rhonda McDaniel and "Trainer" Ehrenfeld forever to set up a date.

LR: Chris Allen and Jack Barnhart, *Most Attractive*, have what it takes for the look of the 80's.

L: *Mr. and Mrs. TWC*, Dwayne Brabson and Diane Renfro, displayed all of those unique characteristics we wish we all had.

Our Journey

Come walk with me and we'll discover
You can lean on me during failure,
and I'll share your excitement of success.
I'll learn from you and you from me.
First we'll follow, but soon we'll lead.
Along the wayside we'll rest and share God's world.
We'll march down trails of seriousness,
and skip down lanes of laughter.
If a fork in the road points toward different
dreams,
We'll be grateful for the memories.

WESLEYAN WELCOMES PRES. REAGAN

Tennessee Wesleyan College welcomed incoming Freshmen — and the President of the United States! Athens was a beehive of activity as we cleaned up and fixed up to greet Ronald Reagan. The press descended in droves and used the TWC Cafeteria as a command post. Thank you, Mr. President, for a day all of us will long remember — especially Diana Kelly!

REAGAN FIRST HAND . . .

President Reagan's visit was very brief, giving only enough time for his address on tax reform proposals. He did take time, however to accept a handmade leather saddle, a gift from the City of Athens.

CHOIR AND CONSOLIDATION

The 1985-86 Tennessee Wesleyan College Choir spent many hard hours practicing for their Spring Tour of Washington, D.C. and the surrounding areas. Under the leadership of Darnell Chance, the Choir sang and wowed their audiences. Other activities which the Choir participated in were the Christmas Concert, Chapel convocations, Baccalaureate and Graduation.

Sporting their new sweaters, the Choir performed for many churches and high schools.

While still in Athens, we can tell by the many expressions that the Choir had mixed feelings about Tour.

The Washington Monument was a popular attraction for many of the Wesleyan Singers.

INVADE THE STREETS OF WASHINGTON, D.C.

The Consolidation is a group of what is thought to be the most talented students of the Choir picked by auditions. They sing contemporary pop, rock, jazz and religious music.

LIVE IN 1985!!

Under the direction of Coach Ken Henry, Tennessee Wesleyan ventured to try football one more time. The program was brought back to raise the enrollment number. The number of students did in fact grow larger in the Fall, but gradually they fell back to old numbers by spring.

Tennessee Wesleyan plans to continue to nonscholarship football program in 1986. Hopefully, we all have learned something from this attempt to bring football back to the campus of TWC. It's all "academic" now!

Led by Coach Stan Harrison, the Lady Bulldogs had a great season. They missed out on going to the National Championship by only one game. WAY TO GO, BULLDOGS!

T.W.C. CHEERLEADERS

TWC CHEERLEADERS: CATCH THE SPIRIT!

Our cheerleaders worked many long hours this year to boost our soccer, football and basketball teams. They were always willing to participate in any school activities such as the Halloween Arts Festival, and made many of the great "TWC" signs seen during visitation weekends.

RAH, RAH, RAH — SHISH, BOOM, BAH!

The 1985-86 T.W.C. Cheerleaders not only cheered at various ball games, but they also participated in pep rallies.

T.R.: Caroline Cheek said, "Everybody wants to be a jock like me."

Mid.: Sara Inscho said, "Other football players are whiners, just like me!"

M.R.: "Like what's the deal? How does this thing work? I wonder what will happen if I push the red button?"

The Springs of Helicon is the official literary magazine of Tennessee Wesleyan College. The editor-in-chief was Julie Price and the faculty sponsor was Dr. Genevieve Wiggins.

Students are encouraged to submit art work, poetry, short stories and photographs that will be judged. Awards are given in these categories each year at the Honors Day Convention held in May.

THE NOCATULA STAFF

The Nocatula is the annual of Tennessee Wesleyan College. The faculty sponsor for 1985-86 was Academic Dean George Miller. The editor was Jenne Beach.

The Nocatula Staff was very limited. Members of the staff were: Photographers, Gary Burgess, Jenne Beach and Melinda Hillman; Layout Design, Gary Burgess and Jenne Beach; Layout Editor, Tijuana Bradley; Copy Editor, Pamela McMillan. We would like to extend a special thanks to everyone who submitted pictures to the Nocatula. Also, thanks should go to Mrs. Louise Trotter for passing out last year's annual and supplying emotional support in tough times.

... AND NOW THE REAL WORLD — WATCH OUT!

Four years of hard work finally came to an end on June 7, 1986. Some gained their much wanted honors (Especially Pamela McMillan), others just received that magical piece of paper. Parting always brings sadness, especially with close friends. We say we will keep in touch and then we go our separate ways. Some day we'll all be together again, so do well in all endeavors until then!!!

A FINAL NOTE FROM THE EDITOR

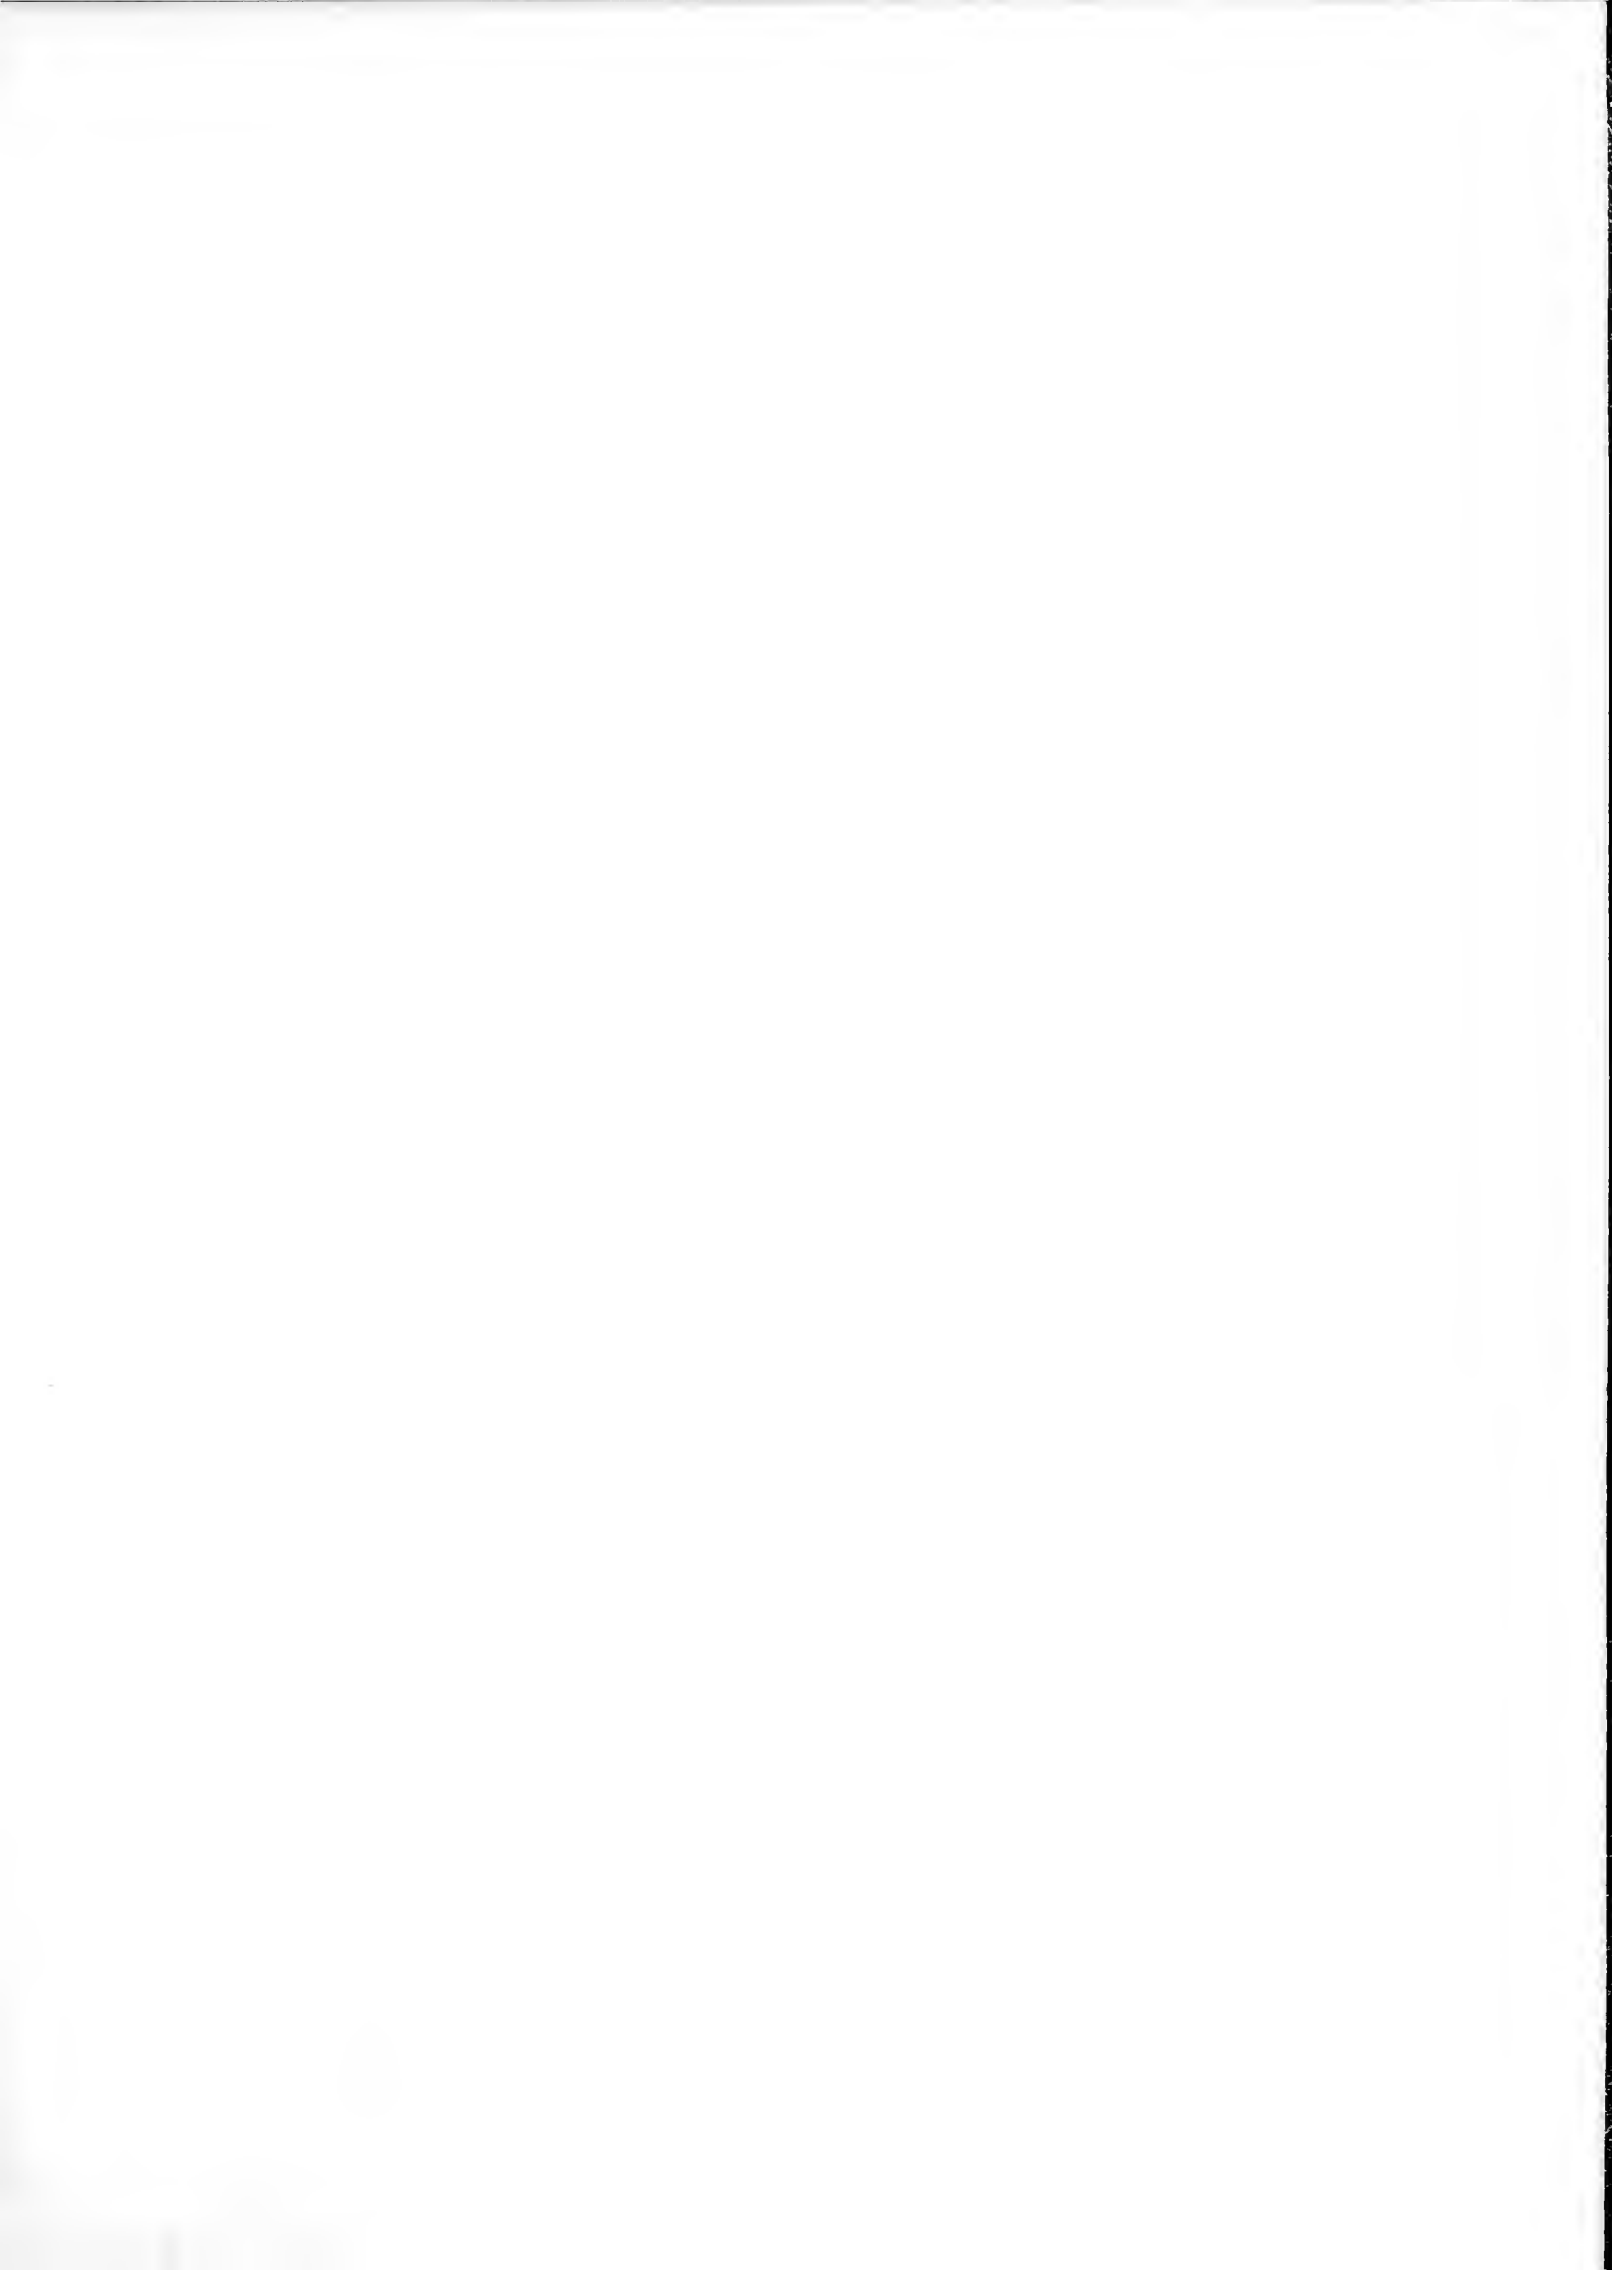

As-always, there are a few people that deserve a special thank you. *Mrs. Trotter*: Thanks for helping in the handing out of the annual. *The Ladies of the Business Office*: Thank you for putting up with all of the student questions perraining to the yearbook, and for putting up with me when I was mad about my staff not showing up for meetings. *Melinda Hillman*: Thank you for giving pictures to me that I did not have. *George Miller*: The Annual staff as a whole would like to thank you for being our advisor even though you were already "Swamped" with other work. *The Big Annual Staff* — Pamela McMillan, Tijuana Bradley, and Gary Burgess: Thank you for your dedication and patience while dealing with your ruthless leader. If I have forgotten anyone, I am very sorry.

This year seemed to be plagued by apathy among the student body. I was very disappointed at many of the student events by the lack of participation. It was very difficult to cover these events with little or no attendance. To those people who made my life and job difficult, I dust the tops of my shoes to you. That may seem harsh, but after this year, I think that is pretty mild.

Being a part of the annual staff has meant a great deal to me. I get to know many of the students and their special qualities. The annual staff always needs hard workers, so come on and join the crew.

THE NOCATULA LEGEND

A wounded English officer from Fort Loudon was befriended by an Indian Chief and nursed back to health by Nocatula, daughter of the Chief. The soldier, given the name of Connestoga, "The Oak," was accepted into the tribe and married Nocatula. A jealous suiter attacked Connestoga with a knife. As he lay dying Nocatula confessed her eternal love and plunged a knife into her breast. Buried together, the Chief placed an acorn in Connestoga's hand and a hackberry in Nocatula's hand, symbolizing undying love. From these there developed two trees which stood on this spot for 150 years.
